Manufacturing	\$1.2M ARR

APAC is the fastest-growing region, driven by enterprise adoption in Japan and Australia. Latin America office opens Q4 2025 in São Paulo with three dedicated account executives.

Customer Success

“

Meridian replaced three separate tools for us. Our analysts went from spending two hours building reports to ten minutes.

Sarah Chen

VP Data, NorthStar Freight

“

The predictive engine flagged a revenue anomaly 48 hours before our internal audit caught it. That alone justified the investment.

Marcus Okonkwo

CFO, Brightpath Health

97%

Customer satisfaction (CSAT)
